Elementary Outdoor School

Every May, our elementary students (K through 5th grade) spend a few days in the great outdoors to attend school at Mountain Lakes Bible Camp. The length of the trip is variable with grade and parent volunteers are always welcome. Parents should plan to budget approximately \$50 - \$90 for this adventure.

Overnight Class Field Trips

Each year for middle and high school, overnight class field trips are planned to places of interest related to that year's study. Examples include the 7th grade trip to Salem, the 10th grade biology trip to the Oregon Coast and others like this. Parents should plan to budget approximately \$40 to \$60 for these trips which generally occur in the spring.

PLEASE NOTE-

All returned items for payment of tuition, fees, or services are subject to a \$25 fee.

We are thrilled to be in this race, this journey with you. May God bless you and your family!
